### Juvenile Officer to Tell Of Rehabilitation Work

Phases of juvenile rehabilitation will be told by Patrick Palace of the Juvenile Division of the Los Angeles Police Department on Tuesday, August 28 during the regular meeting of the Shoestring Community Association.

An invitation is extended to all residents of the Shoestring community to attend the meeting, which will start at 8 p.m. in the Nazarene Church, at the corner of Carson street and Denker avenue.

"The association needs the support of every resident of the area," states Mrs. John Andrade, publicity chairman, "if we are to obtain the much needed improvements for the Shoestring strip."

### Lt. Powell Participates In Fiery Celebrations

Naval Reserve Fighter Squadrons 781, 783, and 784 of this area celebrated their return to active duty a year ago by blasting Korean Communists with some of the deadliest explosives known to man—fiery napalm bombs, rockets, and other assortments of hot lead, according to a Navy announcement this week.

Serving with the units from here is Lt. (jg) Samuel J. Powell Jr., husband of Mrs. Patricia C. Powell of 5012 Sharynne lane. Before entering active duty last year, Lieutenant Powell and other members of the squadron trained on week-ends.

## Walteria News Notes

By BETTY MITCHELL  
Phone Lomita 2635-W

This really seems to be birthday time. Last Sunday, August 19, a family picnic was held at Walteria Park celebrating five birthdays in the month of August. They were Gilbert Sanders Sr., Hannah Sanders, Esther Sanders, Kathy and Diane Sanders. Those present were Mr. and Mrs. Gilbert Sanders Sr., Mr. and Mrs. Earle Sanders and family, Eddie, Kathy, Sue Ann and Diane; Mr. and Mrs. Patrick Sanders and daughter Marilyn; Mr. Stoker and Mrs. Esther Sanders; Mr. R. E. Banks, Mrs. Gilbert Sanders Jr., and sons Steve and Emory of Ward street, and Mr. and Mrs. Frank Kern with daughter Esther Marie. An old-fashioned menu of hot dogs, baked beans, macaroni salad, potato salad, potato chips, olives, home-made ice cream and decorated birthday cake helped make the occasion an enjoyable one.

Another birthday party was the one given by Mrs. J. B. Mosley, Ward street, in honor of Miss Frances Bandel of Torrance, Mrs. E. H. (Dusty) Miller, Long Beach and Mrs. Mollie Dowd of Walteria. An appetizing dinner was served in the early part of the evening followed by an interesting travelogue by Miss Bandel on her recent trip around Vancouver Island. A lovely birthday cake, appropriately decorated with "To Whom It May Concern" was served with home-made fresh peach sherbet.

Also celebrating a birthday was W. M. Mitchell, Danaha street, who started by attending the Rams Redskins football game on Wednesday night. The family dinner in his honor was given the following Sunday.

Speaking of parties—don't forget that tomorrow night, Friday August 24, is the big day for the community picnic at Walteria Park. I'm sure that there will be oodles of fun for everyone attending, so pack your picnic and join your friends and neighbors for a good time. Don't forget that coffee and the drinks for the kids will be free. See you there!

Leaving our community temporarily are Mr. and Mrs. C. E. Daley and children of Winlock road, who have moved to San Diego, where he is now stationed with the U. S. Navy. La

### Courses Offered For Petroleum Engineers by SC

Five courses designed for the professional petroleum engineer are announced by University College, evening division of the University of Southern California, beginning with the fall term on September 17.

Scheduled weekly during the 18-week term, each two-hour class offers college credit and is of advanced standing, according to Dean Carl Hancey.

Subsurface methods, a course dealing with data from cores, electric logging, and a study of construction of structural thickness, will be given Wednesdays at 7 p.m. by Henry Killian, head of the geology department, Oil Properties Consultants, Inc.

**DRILLING CLASS**

Drilling and technology is another class subject on Tuesdays featuring colloidal properties of drilling fluids and test procedures. It will be taught by D. H. Larsen, Baroid Sales Division, National Lead Company.

Two classes by N. Van Wingen, vice-president of Petroleum Technologists, Inc., include a study of petroleum reservoir engineering and a class on advanced oil and gas property valuation the former at 8 p.m. and the latter at 8 p.m. on Mondays.

The principles of well logging by electrical measurements and radio activity is a fifth class, scheduled for Thursdays, to be given by Loy Charter of Shell Oil Co.

Registration for the courses will open September 10 in the University College offices on the SC campus. Further information is available by calling Richmond 2311.

**HUB CAPS STOLEN**

Four Cadillac hub caps valued at \$16 were stolen from his auto last Monday, George Webb, 808 1/2 Amapola avenue told Torrance police this week.

### Telephone Needs New Hearing Aid

On Monday morning Captain Gene Walker of the Torrance Fire Department had trouble getting his party on a phone he was attempting to use at Cravens and Marcelina avenues.

He complained to the Police Department because he couldn't get the operator.

Someone had stolen the phone's receiver.

**BREEDS OF COWS**

The principal breeds of U. S. dairy cows, according to numbers, are the Ayrshire, Brown Swiss, Guernsey, Holstein and the Jersey.

**Home from a fine vacation.** Mrs. Mildred Phelps, Park street, is relaxing after a trip through the north of the state. She was accompanied on the two-week trip by Mrs. Ted Knox, formerly of Walteria.

**Another of our neighbors** going away for a while is Mrs. Joyce Heuring and her infant daughter. They left Monday, August 20 for El Paso, Tex., where they will stay while husband and father, Clinton Heuring, is stationed at Ft. Bliss.

**We were glad to hear that** Mrs. Ruby Vawter, Los Codona avenue, is recovering at her home following surgery several days ago. Hope she will soon be up and around again.

**AID TO SCHOOLS**

As early as 1710 the public schools of South Carolina provided education for indigent children.
